For more than 75 years, COPA has united the Canadian office products industry, responding to the needs of its members with innovative and relevant initiatives. Today, COPA continues to build on that underlying philosophy to ensure that “*your success is our first priority.*”

Three Strategic Directions

COPA delivering valuable benefits and savings through:

1 Cost Savings Programs

Business Compliance Standards

An online MSDS management system and e-learning courses (including WHMIS training)

Card Transaction Services

Exceptional rates for VISA and MasterCard, plus low debit card fees

Courier Services

Some of the best rates with leading courier companies in Canada

Electronic Ordering

EDI streamlines, increases efficiencies and eliminates order errors

Freight

Reduce cost using consolidation, supply chain & LTL solutions

Fuel & Maintenance Discounts

Savings for a single vehicle or an entire fleet

Group Benefits

A customizable insurance solution covering extended healthcare, dental, drug plans and more for any group size

HR Management

Professional advisors including lawyers, mediators and labour relations experts

Insurance

Home, auto, and travel insurance for your company and your employees

Property Leasing & Purchasing

Expert consulting for lease negotiations, property purchases and more

Telecommunications

Cellular and telephone services and electronic conferencing and webinars

2 Communication, Education and Training

Professional Development

COPA's WakeUp! Breakfast, Technology Summit and e-Learn Webinar series provide exceptional opportunities to learn and network

Online Industry Directory

Member only access to a comprehensive industry Source Guide

Research

Quarterly Canadian data on the office products industry

COPA Websites

Get up to date information on news, programs and events at www.copa.ca and connect to the online product training centre

Leadership & Participation

Be an active participant and take a leadership role on the Board of Directors, COPA committees and member forums

Industry Update Newsletter

Emailed weekly to over 2000 industry professionals. The primary communication tool for members providing news, job postings, announcements and more

3 Networking and Events

Golf Tournament

A great networking opportunity

Industry Awards

COPA Stars Gala honours the best that our industry has to offer in products, services, companies and industry individuals

Scholarships

The office products industry supports and benefits from the COPA Scholarship Fund. Students with a connection to COPA member companies are eligible

WakeUp! Series

“Bill’s presentation was both relevant and compelling. His workbook enabled easy note taking and reinforced new learning. My biggest take-away was his four step process – I have done this a few times with disengaged employees and it really works. I was just unaware of this four step system as a structured business process – brilliant but quite simple.”

Brian Miles, dbAdvantage

“This was one of the best COPA events I have attended. Do more of these!”

Jane Gleadall, ACCO Canada Inc.

EDI Program

“Since moving our (EDI) business over to Commport from Sterling, we have cut our monthly spend by 55 per cent. Their performance is reliable, and if we need information or hands-on assistance, we get it.”

Harry Wanless, Acme United Limited

HR Program

“Restructuring is never an easy task, but Scott & Associates helped us through this difficult challenge with professionalism and sensitivity. Their expertise was invaluable in helping us make the right decisions. The guidance, dedication and service exceeded expectations. We were extremely satisfied, and recommend their services without hesitation.”

Tonie Scauzillo, Zebra Pen Canada Corp.
