You're always looking for ways to reduce transportation costs and serve your customers better. That's why we've negotiated highly favourable shipping rates with Purolator.

Service designed with you in mind

Whether it's across town or across the country, you'll get reliable, professional shipping that will satisfy—and impress—your customers. Purolator Services¹ include:

Expedited Shipping

Multiple and flexible shipping to meet your needs.

End-to-End Tracking

Adaptable IT integration for complete visibility and specialized reporting.

TL and LTL freight

Courier, freight and US/ International importing and exporting solutions.²

Over 25 years' experience of cross-border logistics, customs guidance and expertise.

Why COPA choses Purolator

- Canada's largest U.S. to Canada logistics shipping solution
- Canadian expertise with reliable cross-border regulatory knowledge
- Single source to consolidate both courier and LTL shipments
- Guaranteed³ On-time delivery
- Award-winning customer service

It's not a package. It's a promise.®

For over 60 years, Purolator has delivered promises for Canadian businesses large and small. With delivery to more points in the country than any other freight and parcel provider in Canada³, you can count on us.

* Enrollment may take up to fourteen (14) business days to take effect. The discounts are calculated based on Purolator's published list rates featured on the [Purolator Rate Guide](#) at the time of shipping or as described in the COPA Agreement and cannot be combined with any other Purolator discounts, savings plans or waivers.

¹ All Purolator Services are in accordance with, and governed by: (i) the terms of any valid Services Pricing Agreement, or the like, between Purolator and the main customer of which you are an Affiliate or Member; or (ii) the Purolator Terms and Conditions of Service in effect at such time the Services are performed, available at www.purolator.com. This offer is available to new member account registrations only and not to COPA members with accounts on custom rate agreements.

² Canadian Courier & Parcel Total Market Volume Revenue Analysis (2018), Brampton, ON, BGR Coaching & Strategic Solutions.

³ Certain terms, conditions and geographic restrictions apply (including point of origin, destination guarantee restrictions and money-back guarantee restrictions). Guaranteed Services are governed by the Purolator Terms and Conditions of Service in effect at such time the Services are performed, available at www.purolator.com. ® Registered trade-mark of Purolator Inc.
